THREE DOLLARS A LETTER

FOR THE SIGNS ON CITY HALL Chicago, April 3 .- Three dollars a letter is the average price paid for some of the signs on the temporary city hall. About the cost—the actual money paid—for the lettering on the doors and windows on the temporary

offices there is no question.

It is alleged that it was impossible to draw specifications and each department head was allowed what signs he desired. The charge is made that \$5,000 was spent for work which could have been secured for \$1,500. The

signs cost about \$6 a line for gold and \$1.50 for black letters.

He Must Answer With His Life for the Murder of Lieut. Olivares

Mexico City, April 3.—General Gus-ave A. Maas, who has a record in the Mexican as an Indian fighter, has been sentenced to death for killing former Lieutenant David Olivares, with whose sister it was charged he had been in-timate. The trial and sentence of general Maas created a sensation, as the prosecution brought out that he had once before kidnaped a girl at

Tacubaya. The verdict was a remarkable one Not only was the general sentenced to be shot to death, but he must also pay sixty dollars a month to each of the two children of the man he murdered for the next twenty years, and must also pay the funeral expenses of his victim, amounting to \$168. These sums will come out of General Maas' estate if he is shot according to sen General Maas is wealthy and has been prominent socially.
